## Diabetes Management Throughout Life Stages

Wednesday, October 19, 2011  
8 a.m. – 12:30 p.m.

Physician experts will highlight treatment and management of Type 1 and Type 2 diabetes through transitions in life stages:

- adolescence to adult
- pregnancy for women with diabetes
- adults transitioning in and out of the hospital, and
- geriatric patients with type 2 diabetes

Registration begins at 7:30 a.m.  
Breakfast and snacks provided.

For more information or to register for this **FREE** CME seminar, please call (269) 341-8585 or go to Bronson NetLearning.
